 (# of Years)

***Critical care transport nursing experience is defined as hands-on patient care provided in a fixed, rotor, or ground vehicle.**

CANCELLATION OR CHANGE POLICY: All cancellations or changes must be received in writing at astna@gwami.com. Cancellations received more than 45 days before the course date, will receive a full refund of the course fee minus a \$25 fee for administration. Cancellations 30 to 45 days from the course will receive a 75% refund of the course fee. Cancellations received 15 to 30 days from the course will receive a 50% refund of the course fee. Any cancellations received less than 15 days from the course date will not receive a refund. Any person who cancels more than 15 days before the course and wishes to keep the TNATC Manual will be deducted an additional \$75. Any transfers from one course to another course with a minimum of 60 days advance notice, or changes from one person to another in the same program will be accepted with an administration fee of \$25 per change.

DISCLAIMER: AP TNATC is a one day advanced trauma nursing course open to all transport personnel providing direct patient care during transport by ground or air. A minimum of two years transport experience is required prior to enrolling in a AP TNATC. Successful achievement of TNATC provider status requires preparation and study. ASTNA is committed to providing these materials no later than 30 days prior to the course. Those students enrolling in TNATC less than 6 weeks in advance may not receive course materials in time to adequately prepare. All course participants receive continuing education contact hours.
